

25% OFF Bird of Paradise

Strlitzia reginae

40cm PB18 - Normally \$30 - **NOW \$15**

30cm-1m 17L - Normally \$90 - **NOW \$45**

Native to South Africa, this evergreen perennial forms greyish green leaves which are banana-like in appearance. Orange, purple and white flowers resemble colourful tropical birds.

Can grow to 120cm-180cm and 90-120cm wide.

Great for cut flowers with a long vase life.
